

CONSORT HOMES OFFERS PEACE OF MIND PROTECTION WITH OUR EXCLUSIVE

WHAT THE 1-10 GUARANTEE COVERS

Under the 1-10 Guarantee, Consort Homes provides 10-year protection on major structural components of your new home. And in the first year you own your new home, Consort Homes guarantees your home to be free of any defects due to faulty workmanship and materials.

Appliances and mechanical equipment are not included in Consort Homes 1-10 Guarantee, but are covered by the manufacturers' warranties. All manufacturers' warranties will be assigned to you, some of which may extend beyond a year.

There are no deductibles required in Consort Homes 1-10 Guarantee. Consort Homes pays all repair costs, including labor and materials.

WHEN THE PROTECTION BEGINS

Consort Homes 1-10 Guarantee protects you from the day you close on your new home. At closing you receive your signed 1-10 Guarantee booklet. Every item is clearly explained so you know exactly whom to contact should any problem arise. No guesswork about what is covered. No guesswork about who is responsible for repairs.

AN ADDITIONAL BENEFIT

If you decide to sell your new Consort Homes home, any portion of the remaining 1-year coverage is fully transferred to the new owner. In addition, the new owner also receives coverage on major structural components for 10 years from the original owner's purchase date. Transfer is automatic. No paperwork is involved. Simply hand your 1-10 Guarantee booklet to the new owner. It's one more feature that adds to the exceptional resale value of a Consort home.
